## Comprehensive Where Used Report Sorted by Part Number

|                  |   |                           |
|------------------|---|---------------------------|
| <b>200-00001</b> | <b>Res, 10K, 10%</b>                    |                           |
|                  | 250-00008                               | Altimeter                 |
| <b>200-00002</b> | <b>Res, 4.7 K, 10%</b>                  |                           |
|                  | 250-00008                               | Altimeter                 |
|                  | 250-00011                               | Barometer                 |
|                  | 250-00013                               | Power supply              |
|                  | 250-00017                               | High Current Power supply |
|                  | 250-00017A                              | High Current Power supply |
| <b>200-00003</b> | <b>Cap, .001 uF 50v, 5%</b>             |                           |
|                  | 250-00008                               | Altimeter                 |
|                  | 250-00013                               | Power supply              |
|                  | 250-00017                               | High Current Power supply |
|                  | 250-00017A                              | High Current Power supply |
| <b>200-00004</b> | <b>PC board for Altimeter</b>           |                           |
|                  | 250-00008                               | Altimeter                 |
| <b>200-00006</b> | <b>Transistor, NPN, 100ma</b>           |                           |
|                  | 250-00008                               | Altimeter                 |
|                  | 250-00011                               | Barometer                 |
| <b>200-00009</b> | <b>Conn, 2 Cond, Power</b>              |                           |
|                  | 250-00008                               | Altimeter                 |
|                  | 250-00011                               | Barometer                 |
| <b>200-00010</b> | <b>Trans, PNP 100ma</b>                 |                           |
|                  | 250-00011                               | Barometer                 |
|                  | 250-00013                               | Power supply              |
|                  | 250-00017                               | High Current Power supply |
|                  | 250-00017A                              | High Current Power supply |
| <b>200-00012</b> | <b>PC board for the Barometer</b>       |                           |
|                  | 250-00011                               | Barometer                 |
| <b>200-00014</b> | <b>PC for Power Supply</b>              |                           |
|                  | 250-00013                               | Power supply              |
| <b>200-00018</b> | <b>PC for High Current Power Supply</b> |                           |
|                  | 250-00017                               | High Current Power supply |
|                  | 250-00017A                              | High Current Power supply |
| <b>250-00008</b> | <b>Altimeter</b>                        |                           |
|                  | 250-00011                               | Barometer                 |
| <b>250-00013</b> | <b>Power supply</b>                     |                           |
|                  | 250-00011                               | Barometer                 |
|                  | 250-00008                               | Altimeter                 |
